### Action Items In-Progress / Pending:

- **Grant Funding for TEAMS**
  - We need to develop criteria for the award of grants/financial assistance, for teams in need (Vern/David) possibly use the ~\$13,000 as an outreach program for adults. Use to pay for coach reg, officials reg, and volunteer board members to become members.
  - Possibly make an exception for a parent that can afford it, but is on a small team that has a high outreach athlete %, and needs incentive to continue volunteering on a team that has a low level of parents able to participate.
  - We will need to develop a subcommittee for this effort

- This committee to work on the requirement for team applying for funding. The requirements will need to be submitted to the Board for review
- **Mission Statement / Goals**
  - Did not discuss at this meeting
- **Strategic Plan**
  - Just starting to think about this.
  - We also need to evaluate our current programs for their effectiveness.
  - We will look at the Strategic plan being developed for the Western Zone.
