

**Motion2107FC02:** The Finance Committee recommends the Sectional budget for Athlete Travel Support be increased from \$4,400 to \$40,600 and Coach Travel Support from \$2,000 to \$4,600.

29 Pacific teams are attending Sectionals, of which 12 teams have 16+ athletes are attending the meet. The budget adjustment is significant enough to need BOD approval. The committee is in favor of supporting the athletes who are traveling to Sectionals even though the expense is higher than originally expected and is in keeping with the spirit of our mission.
